## \* Holiday Schedule Changes:

The schedule above shows the normal, every other week, collection days. When a Holiday from the list below occurs during a given week, the scheduled activity for that day and for the remainder of that week is shifted to the following day.

**For example:** If the Holiday was on Tuesday, Monday's route would not be affected. Tuesday would be observed as a Holiday. Tuesday's route would be picked up on Wednesday. Wednesday's route would be picked up on Thursday. Thursday's route would be picked up on Friday. And Friday's route would be picked up on Saturday.

(Dates affected by holidays are marked like this: \*25\*)

Jan 1, New Years Day  
May 30, Memorial Day

Jul 4, Independence Day  
Sep 5, Labor Day

Nov 11, Veterans Day  
Nov 24, Thanksgiving Day

All transfer stations will be closed Dec 24

Free curbside recycling service is only available to residential structures.  
Fee based Non-residential curbside service is available. Call 509-773-5825.

**Recycle bags must be on the curb by 7AM**

# Curbside Recycle List

PUT ANY OF THE FOLLOWING ITEMS IN YOUR CLEAR RECYCLE BAG

**METAL:** Food and beverage containers. Also metal coat hangers.

- ✓ All containers must be rinsed of food/beverage residue.
- ✓ Removing labels is not required but is appreciated.

Don't try to recycle the following items.

- ✗ No foil, foil bake pans or aerosol spray cans.
- ✗ No metal appliance or toy parts.

**PLASTIC:** Food, beverage and cleaning product containers.

- ✓ Removing labels is not required but is appreciated.
- ✓ All containers must be rinsed of product residue.

Don't try to recycle the following items.

- ✗ No cooking oil, motor oil or lamp oil plastic containers.
- ✗ No toxic, caustic or flammable product bottles. (like drain cleaner antifreeze, flea/tick shampoo, charcoal lighter fluid) Do not recycle plastic containers with used sharps in them.
- ✗ No plastic styrofoam packing material or plant pots.
- ✗ No plastic food trays or microwave dinner trays.
- ✗ No clear plastic food trays or boxes.
- ✗ No plastic bags from food products. (like chips, frozen foods and sandwich bags) Plastic shopping and newspaper bags are OK but must be bundled in a plastic shopping bag.
- ✗ No glass in curbside recycling bag.

(Plastic bags in a Plastic bag)

**PAPER:** Food and beverage containers, as well as newspaper, office paper, mail, catalogues and magazines.

- ✓ Shredded paper is OK but must be bundled in a separate paper or plastic bag.
- ✓ Cardboard boxes must be flattened and bound with twine.
- ✓ Remove plastic liners.
- ✓ All containers must be free of food residue.
- ✓ Paper frozen food packaging is acceptable only if the food did NOT contact the paper box. (For Example: Ice cream and frozen chicken paper containers are not OK, while a frozen pizza box is OK if the pizza was sealed in plastic.)

The contents of your recycle bag should look a lot like what you see in the illustrations on this page.

## Household Hazardous Waste: take it to the nearest transfer station

Look for the following key words on the container's label:

**DANGER**      **WARNING**      or      **CAUTION**

The container may also have a description of the hazards containing one of the following words...

**FLAMMABLE**      **COMBUSTIBLE**      **POISON**      **CAUSTIC**      **IRRITANT**

**The label is important!** Attach loose labels to containers with rubber bands or other fasteners.

Partially full containers from the product types listed below are generally considered to be household hazardous wastes. Empty containers can be disposed of with your normal trash service.

**Automotive:**

lead acid battery  
antifreeze  
motor oil (only on designated days)  
brake fluid  
power steering fluid

**Household Maintenance:**

paint: latex and oil base  
paint thinner  
wood preservative  
wood stain  
rust remover  
glues and binders  
dry cell battery

**Household Cleaning Products:**

bleach  
metal polish  
furniture polish  
window cleaner  
coffee pot cleaner  
drain cleaner  
grease remover  
floor cleaner  
oven cleaner  
carpet cleaner  
scouring powder  
laundry detergent  
spot & stain remover  
toilet bowl cleaner

tub & tile cleaner  
water softener  
air freshener

**Miscellaneous:**

pool chemicals  
photography chemicals  
chemistry lab materials  
mosquito repellent  
weed or insect killer  
fertilizer  
compact fluorescent lamp bulbs  
fluorescent lamp tubes  
fluorescent lamp ballasts  
rechargeable battery

### Household Hazardous Waste Service is for Residents of Klickitat County Only

**Household Hazardous Waste Collection Centers:** The above materials should be taken to one of the transfer stations in BZ Corners, Dallesport, Goldendale or to the Roosevelt drop-box site.

**Household Hazardous Waste Reuse Program:** Ask the transfer station attendants about re-useable paints, cleaning products or yard and garden chemicals. These partially used products are available at no charge.

**USED MOTOR OIL** (Goldendale transfer station 1st and 3rd Saturday.) Used oil accepted at NAPA Auto Parts in Bingen and Brownings Fire Extinguisher Service on Hwy 142 just west of Goldendale.)

*There is no charge for the household hazardous waste services provided by Klickitat County in cooperation with Republic Services and The Washington State Department of Ecology.*

**TIRES:** Return used tires to the vendor from which you purchase your new tires.  
(up to 5 light truck or passenger tires allowed per pickup load of garbage at the transfer stations.)

### Commercial & Government Generators of Moderate Risk Hazardous Waste:

For information on reduced rate disposal options call Klickitat County Solid Waste at 509 773-4448.
