# WATER SAMPLE COLLECTION APPLICATION

**PLEASE NOTE: The sample collection and testing are two separate fees. Sample collection is $100, the bacterial test is $30, and the nitrate test is $20.** The water sample collection results are a snapshot of the water supply at the time of collection. The Health Department does not imply or warrant any future conditions of the water system these samples were collected from.

## APPLICANT/CONTACT INFORMATION

Name: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Email: _____

## SITE INFORMATION

Parcel Number: _____

Site Address: _____

City: _____

Directions to the property: _____

_____

_____

System Source: ☐Well ☐Spring ☐Other: _____

Locked Entry? ☐Yes ☐No Key Location/Code: _____

## HEALTH DEPARTMENT USE ONLY

Date of Collection: _____

Sample Collected by: _____

Sample Location: _____
