SECTION 1 GENERAL INFORMATION

1.0 Project Background

Klickitat County intends to set up one On-call Personal Service Agreement for Materials Testing Services with a company that specializes in performing such services. The testing firm must have the ability to provide complete testing services, by both qualified personnel and equipment in the field and laboratory, for construction materials testing through their company. The firm must be able to perform testing services that conform to the Washington State Department of Transportation's *Materials Manual, Construction Manual*, and the **2016 & 2018 Standard Specification for Road, Bridge, and Municipal Construction** for our county road projects. The firm shall have personnel able to be in the field for extended periods of time to ensure project schedule will not be affected.

The professional capabilities of the firm directly involved with testing work must have a demonstrable expertise in the specialized areas necessary to accomplish the services required and certified personnel, equipment, and laboratory, where appropriate. The selected Consultant shall be American Association of State Highway and Transportation Officials (AASHTO) accredited for hot mix asphalt, concrete, soils and aggregate testing. For these services, the consultant is expected to furnish all necessary field equipment and other supporting equipment and consumables. Individual tasks may require the preparation of a draft report for review and then a final report using WSDOT forms.

1.1 Scope of RFP

The Scope of Work to be performed by the consultant may include, but not be limited to, the following:

- A. Performing on-site density testing for soils, surfacing, and asphalt
- B. Performing on-site testing of structural concrete
- C. Performing laboratory testing for soils, surfacing, asphalt, and structural concrete
- D. Ability to perform other testing for construction materials for both road and building construction

1.2 Consultant's Responsibilities

The selected Consultant will be required to assume responsibility for all services outlined in the proposal whether the Consultant or his representative produces them. The Consultant's person-in-charge of the project must have the experience necessary to complete the tasks outlined above.

The possibility of the consultant being involved in federally funded projects exists. As such, the consultant shall meet all requirements for federally funded projects, which include but not limited to; ability to meet Federal EEO requirements, held to ADA and

Civil Rights language for the employing agency, have a Federal "DUNS" number, and shall not be included in the federal "Excluded Parties List".

The Klickitat County Public Works Dept. in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, subtitle A, Office of the Secretary, Part 21, nondiscrimination in federally assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all firms that it will affirmatively insure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit proposals in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

1.3 Payment Schedule

Payment for any agreement entered into as a result of this RFP will be made monthly upon receipt of the Consultant's billing statement. The billing statement must include a summary of progress made through the date of billing.

SECTION 2 PROPOSAL INSTRUCTIONS

2.0 General Information

- A. The Consultant must submit a definite and specific proposal for the end results that are set forth in the RFP. The proposal shall include a scope of work that describes the deliverables including an approximate schedule for each of the individual items described in Section 1.1 of this RFP. The proposal must describe the qualifications of the Consultant, the intended performance of the Consultant on the activities prescribed, and the resources required to perform the activities. The selected Consultant must have demonstrated experience in all the items listed under section 1.1 above and the following items:
- AASHTO accreditation for HMA, concrete, soils, and aggregate testing.
 - Working with the Public and Public Agencies.
 - Providing the best, most cost-effective solutions for materials testing within specifications and frequencies.
- B. All parts of the proposal shall be in a sealed envelope plainly marked "2018-2019 ON-CALL MATERIAL TESTING SERVICES RFP", and show the name and address of the Consultant.

2.1 Closing Date for Submittal of Proposals

Four copies of the proposal must be received no later than 10:00 a.m. on January 23 2018, at which time proposals will be opened and evaluated by the County.

Sealed proposals will be received by:

Don Bellamy, Project Engineer II
Klickitat County Public Works Department
228 West Main, MS-CH 19
Goldendale, WA 98620
Email: donb@klickitatcounty.org
Phone: (509) 773-2371
Fax: (509) 773-5713

2.2 Proposal Acceptance

The successful Consultant will be expected to enter into a Local Agency Standard Consultant Agreement specifying payment on an hourly rate basis for field work and cost per unit for laboratory tests, not to exceed a fixed amount.

2.3 Right of Award or Rejection

Proposals shall specifically stipulate that all terms and conditions contained in the RFP are included in the proposal and accepted by the Consultant. It is understood that all proposals will become a part of the public file on this matter without obligation to the County. The County may reject any proposal not in compliance with prescribed solicitation procedures and requirements and other applicable laws, and the County may reject for good cause any or all proposals upon the County's finding that it is in the public interest to do so.

2.4 Incurring Costs

The County is not liable for any costs incurred by prospective Consultants in the preparation or presentation of proposals.

2.5 Inquiries

Questions that arise during preparation of the proposal will be handled by Don Bellamy at the Klickitat County Public Works Department and will be accepted by either email or fax. See section 2.1 for contact information. The proposal shall list a responsible person, with phone number, for contact if necessary during the proposal review process.

2.6 Technical Proposal Format

Four copies of the proposal shall be submitted to the County. Proposals must not exceed 10 pages. The total number of pages does not include evidence of AASHTO accreditation

in HMA, concrete, soils, and aggregate testing. One page is defined as one side of a single 8-1/2" x 11" page, with 12-point minimum font size for the substantive text. Proposals must include, at a minimum, the following items:

- A. The name of the person(s) authorized to represent the Consultant in any negotiations and to sign any Agreement that may result.
- B. A statement that the proposal recognizes and includes all terms and conditions of the RFP.
- C. Signature of an authorized representative empowered to bind the Consultant.

SECTION 3 PROPOSAL EVALUATION

3.0 General Information

- A. The County will select the Consultant whose proposal is deemed most advantageous to the public. The County may enter into discussions with the top ranked proposers to get a best and final offer, and in those discussions, the County may not disclose information derived from proposals submitted by competing proposers.
- B. Proposals received will be evaluated by a panel of employees of the Klickitat County Public Works Department.
- C. The County may cancel this procurement or reject any and all proposals in accordance with procurement laws.

3.1 Technical Proposal Evaluation

Evaluation of the proposal will be based, in part, on the following criteria:

- A. Description of the Consultant's firm, including organization, and type and scope of services provided. **10 Points**
- B. The names of the key professional persons who will perform the work, current assignment and location, and a current resume including a description of qualifications, skills, and responsibilities in the project. **25 Points**
- C. Proximity to Klickitat County. Consultants located within 1 hour travel time (60 miles) of Klickitat County are preferred but not necessary. **10 Points**

- D. General knowledge and experience with Washington State Department of Transportation materials testing requirements. **20 Points**
- E. Unit Cost Summary field work (hourly) for at minimum the following:
- Field Technician for Compaction testing via nuclear densometer
 - Field Technician for Concrete testing
 - Field Technician for Rebar testing
 - Field Technician for Asphalt testing
 - Field Technician for Coring, and Field Technician for General Services
- Unit Cost Summary shall also include laboratory work (per unit including report) for at minimum the following:
- Compressive Concrete Cylinder Strength
 - Compressive Grout Cube Strength
 - Asphalt Testing (Gradation, Specific Gravity, Asphalt Content, and Volumetrics)
 - Soil Density Curves.
- Unit Costs shall include all overhead, applicable taxes, and travel expenses. **25 Points**
- F. Information addressing project understanding, the Consultant's proposed methodology, and a work plan for completing the work to be performed as described in Subsection 1.1 (Scope of RFP), what will be accomplished, and what resources will be required to each task on schedule. **20 Points**
- G. Proof of AASHTO accreditation and experience and ability working with public agencies. **20 Points**
- H. A statement of experience with similar types of work, including specific examples of similar projects successfully completed, with client references including current contact information. Projects should be similar both in type and size. **20 Points**
- I. General appearance of the proposal and conformity to the above proposal instructions. **10 Points**

By submitting a proposal, the respondent to this RFP authorizes past clients to supply information requested by Klickitat County within the scope of this Request for Proposals.

3.2 Selection

A final selection will be made by the evaluating panel following review and ranking of the proposals. Said selection is not binding until agreement execution.

3.3 Pre-Agreement Clarification

The apparent selected Consultant will be required to review its proposal with the County. The County reserves the right to require any clarifications or alterations it deems necessary in the Consultant's work plan, assignment of resources, or the project cost to clarify the Consultant's approach to the scope of work and the County's needs and expectations. This review and any changes will be made prior to agreement execution and will become part of the final agreement.

3.4 Agreement Execution

The County intends to enter into a Local Agency Standard Consultant Agreement with the successful consultant for any or all of the tasks described in the proposal. The Local Agency Standard Consultant Agreement can be found in Chapter 31 of the *Local Agency Guidelines Manual* printed by the Washington State Department of Transportation or can be found in the digital form at <http://fnapps.wsdot.wa.gov/forms/FMPro>.

The maximum amount to be set up for this agreement is \$100,000.00. The selected firm will be contracted by Klickitat County for a term beginning February 2018 and ending December 31, 2019. Individual tasks will be negotiated as stand-alone task assignments terminating when the task budget is exhausted or the task time frame has expired.

Within seven (7) days of notice of selection, the Consultant will be required to execute an agreement and meet all terms, including the "hold harmless" provisions contained therein, and insurance requirements as outlined in the WSDOT Standard Specifications 1-07.18.
